Thinking Reading

Some of our Year 9 pupils have been attending Thinking Reading programme in the Literacy Centre working one-on-one, twice a week, for 30 minutes a session. The programme consisted of developing decoding skills to fluency, reading graded texts, comprehension and writing skills.

We are pleased to announce that 6/9 pupils have now been **Graduated** from Thinking Reading programme, and successfully achieved their certificate and the others pupils are also working hard to complete theirs too. We are very proud of them all for working extremely hard.
