17th May 2023

Dear Parent/Carer,

Welcome to the Wrenn School community. We wanted to update you with some key dates to help with the transition from Year 6 to Year 7 and to ensure it will be a positive experience and so that we can address all academic and personal development.

It is an exciting time for all students moving up to secondary school and the key transition staff at Wrenn are already working hard to ensure we inform and help all students and parents/carers along the way. The key staff who will be working throughout the process will be our Transition Lead, Mrs Fitzjohn, the Year Team Manager, Mrs Gordon and the Assistant Principal/SENCO, Mrs Jones.

Visits will take place in person to students in their Primary schools throughout June. This will give us an opportunity to meet the students and provide them with a glimpse into what life is like at Wrenn school and will also get to meet some of our Primary School Ambassadors who will be on hand during the transition days. We would like to invite you for an evening on Wednesday 21st/Thursday 22nd June to meet the Year 7 team and some of the senior leadership team from 6-7pm. We will send out invitations based on Junior School's to ensure we can accommodate all parents and carers.

All students will participate in induction days when they visit the school. These visits are scheduled to take place on Monday 3rd and Tuesday 4th July. The induction days will be based around team building activities and taster lessons. This will give the students a chance to meet their form tutor and get to know others in their form. They will meet many members of staff throughout the induction days undertaking a variety of lessons to ensure they have a chance to see what daily life will be like in Year 7.

We do have a dedicated administrator so you can easily communicate with us, and the transition team will respond to any questions that you may have as soon as possible. The address is karen.hicks@wrennschool.org.uk

If you would like to keep up to date with our school news and events, please do follow our official social media channels on Facebook and Twitter.

We are looking forward to meeting both you and the students to establish a close partnership working throughout transition and beyond. We will be in touch again regarding the information evening and the transition days.

Yours Sincerely,

Andrea Fitzjohn
Progress Leader

Hannah Jones
Assistant Head/SENCO
