

Public Sector Equality Duty Statement of Intent

Equality Statement

This statement provides information about how Creative Education Trust (the Trust) ensures it meets its Specific Duties under the Equality Act 2010 (the Act) in relation to the Public Sector Equality Duty (PSED).

The PSED requires the Trust, as a body carrying out public functions, to have due regard to:

1. Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
2. Advance equality of opportunity between people who share a protected characteristic and those who do not.
3. Foster good relations between people who share a protected characteristic and those who do not.

These are known as the General Duties of the PSED.

Having due regard to the need to advance equality of opportunity is defined further in the Equality Act 2010 as having due regard to the need to:

1. Remove or minimise disadvantages
2. Take steps to meet different needs
3. Encourage participation when it is disproportionately low.

The Trust is committed to actively examining current and proposed policies and practices, to ensure that they are not discriminatory under the Act.

The PSED also requires our academies to publish information about equalities, which can be found at appendix 1.

Protected characteristics

Under the Act, certain groups of society will be protected, by way of a particular characteristic. These are known under the Act as protected characteristics. The Trust has a statutory duty under the PSED to minimise or remove the disadvantages suffered by those with the below protected characteristics, and to promote equality for all.

The protected characteristics under the Act are:

- Age (not applicable to pupils, but applicable to staff, parents and visitors)
- Disability
- Sex (gender)
- Race (ethnicity)
- Pregnancy and Maternity
- Religion and Belief
- Sexual Orientation
- Transgender
- Marriage and Civil Partnership (applicable only to the first General Duty. Not applicable to pupils, but applicable to staff, parents and visitors)

The information we publish and analyse must be clearly linked to the three aims (General Duties) of the Public Sector Equality Duty. General Duties are the things that academies aim to achieve.

Specific Duties

The two specific duties of the Public Sector Equality Duty are intended to help academies meet the general duty. They are to:

1. publish information to demonstrate how the academy is complying with the PSED. This information must include, in particular, information relating to people who share a protected characteristic
2. prepare and publish equality objectives.

Application

This policy applies to pupils, staff and visitors to any academy within the Trust and its principles and values apply equally to everyone.

Principles and values

We will collect and use equality information to help us to:

1. identify key issues, ensure equality for all and remove disadvantages suffered by those with protected characteristics
2. understand the impact of our policies, practices and decisions on people with different protected characteristics, and thereby make informed decision making to plan them more effectively
3. assess whether we are discriminating unlawfully when carrying out any of our functions and how we will eradicate this, as far as reasonably possible, in the future
4. ensure that staff and students alike are recognised for their talents
5. identify what the key equality issues are for our organisation and all those accessing the facilities, resources and benefits provided by the Trust.
6. prepare and publish information to demonstrate how our academy is complying with and meeting the PSED

Appendix 1 provides information about the **Wrenn School** community

Appendix 2 outlines the equality objectives for **Wrenn School**

Appendix 1

The information below demonstrates the ways that Wrenn School implements the duties of the PSED:

1. Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
 - Through the framework of policies implemented across the Trust
 - Equality, Diversity and Inclusion Policy
 - Supporting pupils with medical conditions policy
 - Staff code of conduct
 - Anti-bullying policy
 - Behaviour for learning policy
 - Child Protection Policy
 - Complaints Policy
 - Discipline and Grievance policies
 - Family Friendly Policy
 - Flexible Working Policy
 - Special Educational Needs and Disability Policy
 - Induction of all new staff to include staff code of conduct
 - Regular monitoring of equality data through our recruitment process
 - Regular monitoring and analysis of behaviour data
 - Through the online training “Equality, Diversity and Inclusion” provided by Learn Upon E-Learning Consultancy, as part of ongoing Trust-wide provision. Training concludes with an assessment, with a minimum pass rate before certification is issued. Staff not certified by the system have to re-complete training. Completed on a 3-year cycle.
 - Monitor the SEN register to regular and support pupils with a medical history
 - Annual safeguard training for all staff and AC members
 - Signposting the CET policies and our website and making them available for staff.

School Community data

- The percentage of pupils who have been eligible for free school meals at any point in the past six years is 26.2% compared to 22.5% nationally.
- The percentage of pupils from ethnic minority backgrounds is 48% compared to 34.1% nationally.
- The percentage of pupils who speak English as an additional language is 31% compared to 17.5% nationally.
- The percentage of pupils who have special educational needs or are disabled is 14.6% compared to 16.5% nationally.
- 49.70% of our pupils are girls compared to 49% nationally.
- The Wrenn School workforce consists of 155 females and 49 males in total. Of the total 204 members of staff, 5 are registered as Disabled.
- Gaps remain between boys and girls, and between SEND and non-SEND students, however these are closing over time

Student destinations data 2022: TM/data

Post 16

% Russell group level 6 course	% other level 6 course	% other training	% employment	% known NEET	% not known
13%	87%	0%	13%	0%	0%

Year 11

% Continued education in school	% College of Further education	% Training – Not employed	% Employment with planned training	% Employment without planned training	% NEET
37%	56.6%	1.6%	1.1%	1.1%	1.6%

2. Advance equality of opportunity between people who share a protected characteristic and those who do not.

- Boys make less progress in comparison to starting points when compared to girls.
- There are gaps in achievement between those in receipt of pupil premium and those not in receipt, with attendance of those that receive pupil premium also being lower.
- Disadvantaged students receive more fixed term exclusions than non-disadvantaged students and this impacts on their attendance.
- We continue to ensure high expectations of all boys (but not at the detriment of the girls), lower ability, SEN and PP students so that the gap between sub groups and the whole school becomes negligible

The following steps have been taken in response to the data to advance equal opportunities

1. The school has developed our use of retrieval practice strategies to support students' understanding of the different how to learn techniques to improve progress.
2. The school has developed the effectiveness and efficiency of feedback and marking and embedded the culture of feedback and response/ improvement.
3. The school has further developed the use of in-class feedback through the introduction of new technology into classrooms (visualisers and Promethean boards).
4. Implement the newly designed curriculum so that it ensures all pupils, including disadvantaged and SEND pupils, progress towards ambitious end points

5. The school has developed reading provision across the school. With the introduction of a reading scheme to all year groups, Accelerated Reader within KS3 and clear embedded practice in lessons.
6. Cultural capital to be developed to become a key focus of curricular and extra-curricular work.
7. The school has developed its inclusive practice model to support and intervene for students who are vulnerable and who are at risk of exclusion.
8. We continue to build on effective strategies to promote high standards of behaviour for learning, which support good outcomes.
9. We have created and continue to develop our bespoke programme for disadvantaged students to ensure positive behaviours and attitudes support success in school.
10. We continue to develop our partnerships with parents/carers to enhance the communication between stakeholders. Further opportunities are being introduced in 2022 for KS3 and KS4 parents/families.
11. We continue to further strengthen our employer engagement in the Curriculum and the World of Work to ensure Gatsby benchmarks are reached. Develop lasting links with employers. Continue to focus on the implementation of the Gatsby Benchmarks.
12. We continue to review guidance for all sixth form pupils over future pathways in combination with the careers lead e.g. University, Apprenticeships and the world of work.

3. Foster good relations between people who share a protected characteristic and those who do not

- Our curriculum is purposefully built to address the wider aims of our community. One such aim is to ensure we enable students to develop into global citizens, by supporting them to become articulate, resourceful, creative independent characters with a strong moral purpose who engage with education and learning, as well as the wider world.
- The RE and PSHE curriculum ensures students are taught tolerance and respect for others, with specific units focusing on disability, sexism, race and racism, homophobia as well as the use of language which could offend
- Assemblies regularly address equality and diversity issues and link to our core values of respect, responsibility and resilience as well as to 'British Values'
- The curriculum supports the culture and ethos of safeguarding and helps pupils to understand how to keep themselves safe in a variety of situations.

- Students' physical and emotional well-being are nurtured. Students are encouraged to maintain a healthy lifestyle and help is provided for those who have mental health needs.
- The school encourages and supports students in the participation of DofE, Cadets and National Citizenship scheme. We have developed our Outdoors Education programme to offer additional opportunities to all students.
- Online safety is promoted through PSHEE and assemblies. Regular information is sent to parents on keeping children safe on the internet via Twitter, school website and Facebook.
- Newcomers to the school from other countries are welcomed and accepted well. Students are prepared well for life in modern Britain. Our EAL team is a central part of the care and guidance for our EAL students.
- We have achieved the Character Education kitemark and the work within this area helps to develop character, leadership and cultural capital for students across the school.
- We ensure that the Outdoors Education and Character Education programmes promote personal development, self confidence and acquiring of new skills for all students without any barriers that prevent participation.

Wrenn School Data: Progress 8 by pupil group

This is revised data for 2018/2019.

Appendix 2

Equality objectives

Our equality objectives for 2022/2023 are:

- Ensure highly effective deployment of the 'catch up' and 'pupil premium' funding to secure improved outcomes and life chances for disadvantaged and vulnerable students.
- Continue to develop our curriculum to ensure that it fully supports quality learning and builds cultural capital to improve the opportunities for all students.
- Continue to deliver a robust programme that support personal development, attendance and welfare for all students.

- Further develop external stakeholder links, higher education and businesses that enhances student experiences. Ensure that all students access and experience careers input and opportunities.
- Continue to improve the attendance, persistent absence and fixed term exclusions of disadvantaged and vulnerable students.
- Develop 'Academic Language' and reading interventions/engagement throughout the school to improve the literacy and reading skills for all students.
- Continue to improve the outcomes for all disadvantaged (PP, SEN, LAC) students across the school to further narrow achievement gaps.
- Support the HAP students to secure the highest grades across all their subjects in every year group.

These objectives are described in more detail in the Academy Improvement Plan. Progress towards achieving these objectives is under constant review and is reported to governors at every local governing body meeting.
